

Letters of support may be written by family, friends and members of the association. Those individuals submitting written letters must be as specific as possible when explaining why the person is being nominated and how he meets the criteria for the award. It is helpful to explain the nominee's involvement, his impact on the association, for example, and how his involvement exemplifies the ideals of the association and demonstrates leadership and commitment to others. Supplemental letters of support explaining why the candidate merits the award and other documentation is also encouraged including newspaper articles, curriculum vita, etc. and should be submitted in a Word format if possible. Receipt of each nomination will be confirmed by e-mail. Please follow up with the executive director of PACDL if you do not receive a timely confirmation.
